CATERING

Our Executive Chef and Culinary Team are proud to showcase the very best of the season from our many partner farms, ranches, orchards, creameries and wineries. Our menus emphasize our commitment to the seasonal, organic, sustainable practices of farmers throughout Oregon. Rather than a specific cuisine, we are passionate about creating a living, breathing menu that focuses on seasonality and preparing dishes that bring out the local, true flavors of the region.

From passed hors d'oeuvres and family-style banquets served tableside, to handcrafted treats, and everything in between, allow our team to create custom menus that your guests will never forget.

When choosing Brasada Ranch, you're invited to join us for a private complimentary twelve course tasting menu which includes a signature cocktail, wine, and beer pairing to help guide your menu selections.

CATERING

WEDDING MENUS

Our Culinary Team has your entire wedding weekend covered from a rehearsal dinner buffet or welcome reception with passed hors d'oeuvres, to your family-style reception dinner, farewell brunch, and everything in between, including day-of snacks delivered straight to your suite or cabin.

Our signature family-style dinner combines the elegance of a plated dinner with the shared experience of a large family gathering. This unique and inviting approach to your wedding dinner paves the way for guests to get to know each other and feel like they're part of your family. Which is, after all, exactly how a wedding reception should feel.

Our Chefs are also pleased to provide vegetarian, vegan, and gluten free alternatives for you and your guests, and with a variety of courses and entrees to choose from, there is sure to be something for everyone to rave about for days to come.

DESSERTS

Not only delicious, dessert tables can also provide a visual and edible focal point for your reception. Whether you're interested in serving our signature s'mores, a variety of cookies, or anything in between, allow the Pastry Chefs at Brasada Ranch to handcraft custom desserts with a focus on quality ingredients and your unique vision in mind.

Our Pastry Chefs will work with you to create the perfect dessert to compliment your day, or take it a step further with a dessert bar. We offer a variety of custards, mini-pies, cookies, chocolates, tarts, mini-cupcakes, and more and will guide you through the design process to make your dream a reality.

Finally, end your evening around the fire with our housemade s'mores just the way you'd like them. Featuring local ingredients, decadent chocolate, gooey marshmallows, and graham crackers with the perfect amount of crisp. Choose from our classic offerings, or a customizable s'mores bar for your guests.

When the setting sun turns the sky fiery shades over Central Oregon's high desert, you'll be taking in the vista from a luxury suite instead of a tent. This 1,800-acre Resort does rustic right."
